WESTERN ACADEMIC LEADERSHIP ACADEMY is a yearlong professional development program for academic leaders aspiring to become chief academic officers in the WICHE region. Seven cohort members from Nevada institutions have participated in the Academy since its inception in 2015.

WICHE offers student health and technology contracts through a **COST-SAVINGS PROGRAM** with the Midwestern Higher Education Compact (MHEC) to colleges and universities, K-12 school districts, local and state municipalities, and nonprofit organizations with an education emphasis. Last year, entities that used these contracts saved 9% over what they otherwise would have outside this joint purchasing arrangement. The total savings in Nevada was \$323,634.

WICHE ACADEMY FOR LEADERS IN THE HUMANITIES

is a two-year leadership development program for aspiring academic leaders with a background in the humanities. Laura Decker, Nevada State University, is participating in the 2023-2025 cohort.

Optimal behavioral health care

WICHE Behavioral Health Program's (BHP) continues to support the Nevada Division of Public and Behavioral Health for the ongoing operations and accreditation of the **NEVADA PSYCHOLOGY INTERNSHIP CONSORTIUM (NV-PIC)**, which aims to increase the number of psychologists in Nevada and build the state's behavioral health workforce.

RURAL COMMUNITIES OPIOID RESPONSE PROGRAM (RCORP)

is a multiyear initiative supported by the Health Resources and Services Administration within the U.S. Department of Health and Human Services to identify treatment barriers and best practices for preventing and treating substance use disorder. In Nevada, the RCORP program supports two grantees.

Sound public policy

Nevada participates in the **STATE AUTHORIZATION RECIPROCITY AGREEMENT (SARA)** through WICHE. This voluntary agreement provides reciprocity for the state authorization of distance education. WICHE Commissioners have been strong advocates for protecting the state voice in important governance decisions affecting this agreement and staff continue to support participating states and improving student protections while bolstering access.

Created by the WICHE Commission in 1995, the **LEGISLATIVE ADVISORY COMMITTEE (LAC)** works to strengthen state-level postsecondary policymaking across the West. Members are legislators appointed by each state, territory, or freely associated state in the WICHE region; they meet annually to explore emerging policy issues and develop strategies for interstate collaboration.

KNOCKING AT THE COLLEGE DOOR is the leading U.S. resource for projections of high school graduates. Released in December 2024, the newest edition is essential for postsecondary policymakers, planning and workforce efforts, and economic development. Visit wiche.edu/knocking to access reports, interactive dashboards, webinars, presentations, as well as state-level data.

DATA EXPERTS WICHE staff provide analysis on finance, financial aid, articulation and transfer, strategic planning, student demographics, and more, as well as host peer-to-peer calls of state, system, and institutional chief academic officers to identify areas of potential collaboration and resource sharing across the West.

DATA RESOURCES WICHE offers curated data and policy resources to support better-informed decision-making. WICHE's research projects and collaborations cover postsecondary completion, health workforce development, behavioral health in postsecondary education, open educational resources (OER), state finance, prior learning assessment, and more.
